## Other News:

### **Novi Most: Mission focus for July 2025**

Novi Most was set up in the wake of the Bosnian civil war in the 1990s. Even now, tension remains between the Bosnian, Serb and Croat groups, and the country is beset by corruption and high youth unemployment. Novi Most means 'New Bridge' and they bring young people together from all ethnic groups for activities such as music, art, sports, and camps, along with worship and discipleship. One leader says, 'I believe this is the power and hope of the gospel, that we can leave the past behind us and be united in Christ.' For more information, see: <https://www.novimost.org>
