New Worshipping communities – a journey with Myriad

HTC partnered with [Myriad](#), a national pathway to foster and accompany the birth of New Worshipping Communities (NWC).

For the past two years two NWC from HTC have met every six months, taking time to reflect about their communities and to discern next steps on their journeys to make disciples who make disciples.

The Leamington-Coventry hub started in Spring 2024 and has now ended. We celebrated and commissioned for *The Table* led by Siby Moleakunnel and team, and *Minuha* led by Minu Sherry and Jerri Kunjumon.

We pray God would continue to guide both NWC and solidify their foundations to become disciple-making movements for Coventry and the nations.

Mission Focus (Oct 2026): John & Rachel

Holy Trinity is one of the two main supporting churches for John and Rachel, who have been our mission partners for more than 30 years. They work in Bible translation in the Middle East, and visit us every 2-3 years when in UK. They were with us over the weekend October 2-4th, meeting the Youth Group on the Friday evening, and preaching at both Sunday morning services. It was a great start to our Bible-focus month!
