- King Charles and all the Royal family, to rejoice in looking to Jesus each day, and living under the authority of Christ the King.
- For the earth, that we may care for creation, steward better its resources and protect life for future generations.

Prayer for Christ the King Sunday

Eternal Father, whose Son Jesus Christ ascended to the throne of heaven that he might rule over all things as Lord and King: keep the Church in the unity of the Spirit and in the bond of peace, and bring the whole created order to worship at his feet; who is alive and reigns with you, in the unity of the Holy Spirit, one God, now and for ever.

Julian Meeting at Holy Trinity

1.00pm to 2pm – every 4th Wednesday of the month

(25 November, 23 December, 27 January and 24 February)

WHAT IS A JULIAN MEETING? Julian of Norwich was a woman who lived at the end of the fourteenth century in Norwich. When she was about 30 years old, she almost died and in what were thought to be her last moments she had a series of visions of Jesus on the cross. She didn't die; instead, she became an anchoress – living a life of silence and prayer in a room attached to the church of St Julian in Norwich – and wrote down what she had seen and learnt about God. Her 'Revelations of Divine Love' is the first book known to have been written in English by a woman. It gives a wonderful picture of God's love and is still widely read.

In the 20th century, a group of people began to come together to pray – not in words but in silence. They took the name of Julian Meetings to remember Julian's life of silent prayer, and it is the silence which is the hallmark of this way of praying. There are Julian groups in many parts of Britain and overseas. They meet as a small group – usually not more than 10 people sitting together for half an hour in silence, giving time to God. Someone is timekeeper, starting and ending the silence with a short prayer, reading or piece of music. There is time before and after to greet each other, but it is the silence together that is the hallmark of a Julian Meeting. It has a special feel of its own, as you are held in God's hands, giving him space to be with you.

You are very welcome to join the Holy Trinity Julian Meeting. If you would like to know more about Julian Meetings, email Kate Hughes on kate879@btinternet.com

Mission focus (November 2026)

The Light House Christian Care Ministry was founded by Coventry Christians in 1986, to provide counselling for people from across the region, aiming for it to be affordable even for those with limited financial means.
They provide a safe, non-judgemental space of acceptance and empathetic understanding for those over 18 years of age, with a team of professional staff counsellors and associate volunteer counsellors. They train student counsellors, and also have volunteers doing admin, fundraising, or practical tasks around their base in Ball Hill. They help people with anxiety, stress, depression, attempted suicide, relationship difficulties, bereavement, addictions, and those with a history of abuse. We find a good take-up of their leaflets from the Jesus Chapel in HTC, where people in distress often spend time in prayer. Our financial support for them has enabled them to continue to operate in challenging times.
A representative from The Light House will be with us for our morning services on November 15th.
